RE: t/a J's Café
Class B, BLX, Beer, Wine and Liquor

Dear Mr. Templeton:

During Regular Session on May 2, 2007, the Board of License Commissioners met regarding the above captioned.

After receiving a protest against the renewal of this alcoholic beverage license, the Board of License Commissioners held a hearing on May 2, 2007, pursuant to Article 2B, Section 10-302 of the Annotated Code of Maryland. At that hearing, the Board heard testimony and received evidence from the licensee, applicant, citizens of Prince George's County opposed to the renewal and from it's own inspection staff.

Pursuant to Section 10-401 of Article 2B, ten residents who live in the vicinity of the licensed establishment can institute a protest against the renewal of an alcoholic beverage license. Applying the law to the facts, the Board denied the renewal of the Class B, BLX, Beer, Wine and Liquor license for 2007-2208. Findings of fact and conclusions of law regarding the denial of the alcoholic beverage license will be formulated at the Administrative Voting Session of May 22, 2007.
